

Charles Carroll Barrister Elementary

What's Happening In Pre-K & Kindergarten?

- Learn through play
- Develop skills in reading and writing, like recognizing and writing letters, learning new words, and telling stories
(Beginning in kindergarten, schools use the Wit & Wisdom curriculum)
- Build a foundation for math by recognizing numbers, counting, adding, subtracting, and identifying shapes
- Learn about being part of a family and a community
- Study weather, plants, and animals
- Learn habits for staying healthy
- Develop self-esteem and how to manage feelings, behavior, and independence
- Learn to share and work with other children
